Mission: The People Living With HIV/AIDS (PLWHA) committee of the Oakland Transitional Grant Area (OTGA) Planning Council will represent persons living with HIV/AIDS especially those that receive Ryan White Services. We will educate, identify, and assist in recruitment for the OTGA Planning Council from PLWHA that are members of under-served and/or under-represented populations. We will assist the OTGA Planning Council in assessing gaps in services for PLWHA to enhance health outcomes. We will strive to address the issue of diversity in our membership and ensure that every meeting is a safe space.
