Mission: The People Living With HIV/AIDS (PLWHA) committee of the Oakland Transitional Grant Area (OTGA) Planning Council will represent persons living with HIV/AIDS, especially those that receive Ryan White Services. We will educate, identify, and assist in the recruitment for the OTGA Planning Council from PLWHA that are members of under-served and/or under-represented populations. We will assist the OTGA Planning Council in assessing gaps in services for PLWHA to enhance health outcomes. We will strive to address the issues of diversity in our membership and ensure that every meeting is a safe space.

For a first event, they should be very proud. • Next Year they want to start planning early by having active social media and posting, a newsletter, and an idea on how to spread the news through emails. • Personal connections help to activate folks: agencies are overworked and understaffed... so nonurgent emails don't get reviewed, but with personal connections that could change.
